

Dear All,

I would like to personally thank you all for the part that each of you contributed in our first Young Adult Event on Saturday October 13th. The Holy Spirit was certainly present. Based on the name tags we handed out, we had 50+ young adults present. Given your support, our young adult ministry - The Catholic Fellowship of Connecticut is born! Not only do we bring liked minded Catholic professionals together, but we help to keep the Church alive.

Talking to some parishioners who came out, there seems to be a great need and demand for young adult ministry. We will continue to grow The Catholic Fellowship of Connecticut further, and hope for future events to be larger.

I thank you again.

God bless,

Toan Chu
